

# Who's Dreaming of **CHANGING LIVES HERE™?**

Right here in Wake County, **more than 5,000** people will be homeless this year . . . over **2,700** are children.

**When you join *Changing Lives Here™* you can help make those dreams come true.**

Your support helps end homelessness by providing nutritious meals, safe shelter and life-altering care this holiday season.

**And you'll put people back on a path to purpose!**
